Meals To Go

Students are permitted to take any of their meals to go instead of eating in the facility by obtaining a take out container from the cashier. In order to take a meal to go from the Roussell Dining Hall, students must state that choice to the cashier when they first enter the facility and obtain a take out container. Only one meal may be obtained from the dining facility at that time. Dishes and utensils may not be removed from the dining facility.

Seconds Anyone?

Meals at Roussell Dining Hall are always "all you care to eat". In an effort to reduce food waste, please consider selecting only one entree at a time. You are always welcome to come back for more helpings. If you are not familiar with some of the dishes, please ask one of your food attendants for a tasting sample before making your final selection. Thanks!
